

JACK OF ALL FRAMES

WHIMSICAL + MASTERFUL WEDDING & ELOPEMENT PHOTOGRAPHY

LET'S DO IT WITH HEART

Thank you for considering me to help celebrate your masterful love story. It's my specialty and my passion to translate your joy into lasting, freeze frame treasures. Maybe I'm biased, but creating an entire gallery of moments oozing with sweetness and goodness is pretty exciting. As we begin crafting your package, please know I am passionate about photography as an art, and not just a service. I promise to work hard to preserve your memories in a way that feels true to you. If you're here because you love film (or the look of film) it's time to let this beautiful medium work for *you*, to give *you* the chance to feel and look truly special. Wedding planning can come with a lot of costs and details, so I like to making things simple: all of my packages are fully inclusive of taxes and fees. Once we agree on a price, it's all ease and no surprises. Let's get started!
